vs.)

Case No. 4:08CV509 RWS

HANCOCK DEMOLITION &)
EXCAVATION CO., LLC.,)

Defendant.)

MEMORANDUM AND ORDER

This matter is before me on a motion to enforce settlement. The motion will be denied without prejudice because it appears to be filed in the wrong case. Plaintiffs appear to be attempting to enforce a settlement reached in 4:12CV20, not in this case. If plaintiffs are in fact claiming that they are entitled to enforce a settlement reached in 4:12CV20 in this case, then the amended motion needs to be accompanied by a memorandum explaining the factual and legal basis for such a claim, because it is not apparent in the motion as currently filed.

Accordingly,

IT IS HEREBY ORDERED that the motion to enforce settlement [#171] is denied without prejudice.

RODNEY W. SIPPEL
UNITED STATES DISTRICT JUDGE

Dated this 23rd day of October, 2012.
